

*Adopt a
Heart*

The Starfish Foundation's Adopt a Heart program allows you to donate a full scholarship for a veteran (or a family member). If you would like, your donation can be revealed to the recipient or you may make your donation anonymously.

Weekend seminars cost an average of \$500. Those who are hurting emotionally can very often be those who are hurting financially. Your sponsorship is the beginning to help them help themselves. Adopt a Heart, help it to heal, and make the world a safer place for us all. You can designate your donation to a specific program, i.e. Healing Warrior Hearts, Taking It Lightly, etc.
